Management's Responsibility

To the Board of Directors of Alberta Lawyers' Assistance Society:

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian accounting standards for not-for-profit organizations. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Board of Directors is composed entirely of Directors who are neither management nor employees of the Society. The Board is responsible for overseeing management in the performance of its financial reporting responsibilities. The Board fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management, and external accountants. The Board is also responsible for recommending the appointment of the Society's external accountants.

MNP LLP is appointed by the directors to review the financial statements and report directly to them; their report follows. The external accountants have full and free access to, and meet periodically and separately with, both the Board and management to discuss their review engagement results.

April 23, 2022

Loraine Champion
Executive Director

To the Board of Alberta Lawyers' Assistance Society:

We have reviewed the accompanying financial statements of Alberta Lawyers' Assistance Society that comprise the statement of financial position as at October 31, 2021, and the statements of operations and changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of Alberta Lawyers' Assistance Society as at October 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Alberta Lawyers' Assistance Society
Notes to the Financial Statements
For the year ended October 31, 2021
(Unaudited)

1. Incorporation and nature of the organization

Alberta Lawyers' Assistance Society (the "Society") is a registered charity incorporated under the Societies Act of Alberta. The Society is exempt from income taxes under the Income Tax Act ("the Act"). In order to maintain its status as a registered charity under the Act, the Society must meet certain requirements within the Act. In the opinion of management these requirements have been met.

The Society's purpose is to provide assistance, counselling and referral services to Alberta's lawyers, articling students, and their immediate families in personal crisis. Funding is provided by contributions from the Law Society of Alberta, The Canadian Bar Association (Alberta), and private contributors. In fiscal 2020 and 2021, the Society provided counselling through the professionals of Forbes Psychological Services Ltd. ("Forbes"), a leading provider of assistance to professionals and their families.

2. Significant accounting policies

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations as issued by the Accounting Standards Board in Canada using the following significant accounting policies:

Cash

Cash includes cash balances with banks and investments with maturities of three months or less.

Revenue recognition

The Society follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributed materials

The Society receives various in-kind services to carry out its business operations. Because of the difficulty in determining their fair value, no amount is recorded for contributed services in these financial statements.

Financial instruments

The Society recognizes its financial instruments when the Society becomes party to the contractual provisions of the financial instrument. All financial instruments are initially recorded at their fair value.

Financial instruments consist of: cash and accounts payable and accruals. Unless otherwise noted, it is management's opinion that the Society is not exposed to significant credit and liquidity risk, or market risk, which includes currency, interest rate and other price risks.

At initial recognition, the Society may irrevocably elect to subsequently measure any financial instrument at fair value. The Society has not made such an election during the year.

Transaction costs and financing fees directly attributable to the origination, acquisition, issuance or assumption of financial instruments subsequently measured at fair value are immediately recognized in the statement of operations for the current period. Conversely, transaction costs and financing fees are added to the carrying amount for those financial instruments subsequently measured at amortized cost or cost.

Government assistance

Government assistance is recognized when there is a reasonable assurance that the conditions attached to the government assistance will be met and that assistance will be received. Government assistance is recognized as income over the periods necessary to match it with the related costs that it is intended to compensate.

Allocation of expenses

The Society engages in counselling services; promotion, education and awareness; peer support management activities and administration programs. The costs of each program include the costs of personnel that are directly related to providing the program. The salaries and wages are allocated based on a percentage of time spent on each program.

Alberta Lawyers' Assistance Society
Notes to the Financial Statements
For the year ended October 31, 2021
(Unaudited)

3. Economic dependence

The Society's primary source of revenue is the Law Society of Alberta (the "Law Society"). The funding can be cancelled if the Society does not observe certain established guidelines. The Society's ability to continue viable operations is dependent upon maintaining its relationship with the Law Society and ensuring that programs offered align with the Law Society's mission statement. As at the date of these financial statements, the Society believes that it is in compliance with these guidelines.

4. Contributed materials and services

During the year ended October 31, 2021, the Society received contributed services of \$53,200 (2020 – \$46,985) representing the estimated fair value of contributions of office space, printing and mailing, accounting, brochure production and conference space.

5. Government assistance

In March 2020, the Government of Canada introduced the Temporary Wage Subsidy ("TWS") and the Canada Emergency Wage Subsidy ("CEWS") to support employers that are hardest hit by the pandemic.

During the year, the Society recognized \$Nil (2020 - \$4,125) in assistance from the TWS program and \$Nil (2020 - \$17,701) from the CEWS program.

6. Allocation of expenses

During the year ended October 31, 2021, salaries and benefits of \$263,574 (2020 - \$263,081) have been allocated to the following categories on the statement of operations:

	2021	2020
Counselling services	8,378	6,684
Promotion, education and awareness	177,872	187,630
Peer support management and activities	48,570	39,211
Administration	28,754	29,556
	263,574	263,081

7. Significant event

The global outbreak of COVID-19 (coronavirus), has had a significant impact on businesses through the restrictions put in place by the Canadian, provincial and municipal governments regarding travel, business operations and isolation/quarantine orders. At this time, it is unknown the extent of the impact the COVID-19 outbreak will continue to have on the organization as this will depend on future developments that are highly uncertain and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, and the duration of the outbreak, including the duration of travel restrictions, business closures or disruptions, and quarantine/isolation measures that are currently, or may be put, in place by Canada and other countries to fight the virus.

The Society's operations have continue to function with the implementation of enhanced health related safeguards and compliance with government policies such as shut down of most of indoor gatherings. This caused the Society to find other ways of fundraising and has impaired other forms of donations such as law firms and corporate donations. Management continues to assess the impact of COVID-19 and governments' responses to it.
